

Chromalloy appoints Rich Feely as Vice President of Global Sales

MARCH 16, 2016

Chromalloy has appointed a seasoned executive to provide leadership of commercial aerospace sales. Rich Feely, whose career spans nearly two decades in commercial and military aerospace product engineering and sales, joins Chromalloy as Vice President, Global Sales, accountable for new customer growth around the globe. Feely joins Chromalloy from Goodrich/UTC where he worked for more than 15 years in several market-facing roles. Most recently he was Director, Business Development & Strategy, focused on the commercial aftermarket.
